FACILITY and HOST TEAM REQUIREMENTS

Raleigh Swimming Association (RSA) has discussed specific health and safety procedures with the venue management. At this time, the facility and RSA have no additional requirements. Compliance with the most current guidelines from USA Swimming, North Carolina Swimming, CDC, State and Local jurisdictions will be maintained throughout the duration of the meet.

FACILITY

The Pullen Aquatic Center pool is a 50-meter pool with a bulkhead dividing two 25-yard courses. There are 8 lanes in the competition course which has deck-anchored starting blocks and non-turbulent lane ropes. The pool is 14 feet deep at the start end and 5 feet deep at the turn end. An automatic Colorado Timing System with touch pads and digital scoreboard will be available. Timers in each lane will operate both a watch and button. RSA will ensure the required competition course dimensions. Prior to each session of competition, the facility host shall examine the bulkhead and shall confirm to the Meet Referee that the bulkhead is stable, straight and properly positioned and anchored.

Lifeguards will provide first aid.

- Spectators are allowed to sit in the bleachers provided in the upstairs of the building.
- No smoking is allowed on the grounds of the facility or inside the facility.
- No glass containers are allowed inside the facility.
- Only meet volunteers, USA Swimming registered athletes, and USA Swimming registered coaches and officials may be on deck.
- Entry and exit for all are through the main doors.
- Each team is responsible for cleaning up their area after each session. Please place all trash in receptacles provided.

Parking for coaches, officials, and meet management will be in the main lot of the facility and will require a parking pass or credentials. Spectators are able to use the parking lots adjacent to the Aquatic Center. Please park and walk your swimmer to the door of the Aquatic Center in the 12 & Under sessions as there is NO DROP OFF in the parking lot adjacent to the pool.

Locker rooms are for swimmers ONLY. **Restrooms for spectators are located upstairs in the balcony area. The restroom directly off the pool deck will be used for coaches, officials, and meet volunteers ONLY.**

MEET FORMAT

- Events on Saturday and Sunday for 13 & Over swimmers, with the exception of the 1000 Free, will have a morning prelim session and corresponding finals in the evening. For finals, swimmers will be divided into 13-14 and 15 & Over age groups. A and B heats from each age group will be swum in finals. The fastest eight (8) qualifying swimmers will compete in the A final and the next fastest eight (8) will swim in the B final. The B final will swim before the A final. Alternates should be ready to swim in the B Final and identify themselves to the starter prior to the start of the event.
- Friday night (all ages) as well as the 12 & Under sessions will be conducted in a timed finals format.
- All events will be pre-seeded with the exception of events 400 yards and longer, as well as the 10 & Under 200 IM, which will all require a positive check-in.
- The 13 & Over 1000 Free will be swum as timed-finals. The fastest heat (8) of girls and boys will swim in the Sunday finals session. All other heats will swim at the conclusion of preliminaries. These heats will swim fast to slow, beginning with two heats of girls followed by two heats of boys. Subsequent heats will alternate one heat of girls followed by one heat of boys. **There will be an AM/PM option.** Only the top 8 of each gender selecting PM will swim during finals. All others will swim in the prelims session regardless of AM/PM choice.
- Meet management reserves the right to adjust session start times, combine sessions, insert breaks, or move and combine events and heats based on the number of entries received.

NORTH CAROLINA SCRATCH RULE - 208.3, 208.4

208.3. INDIVIDUAL SCRATCH RULE - Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet announcement shall specify all mandatory check-in and scratch deadlines and procedures.

.1 Pre-Seeded Meets - Any swimmer not reporting for or competing in an individual timed final event shall not be penalized.

.2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless the swimmer notifies the clerk of course before the seeding for that event has begun that the swimmer wishes to scratch or as noted in

208.3.4 A or D.. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet announcement states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 meters or longer may be closed for seeding up to twenty four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet announcement.

.3 Preliminary and Finals Events

A. Any swimmer not reporting for or competing in a pre-seeded preliminary heat when finals are scheduled shall not be penalized. If the preliminary heat is seeded on the deck, then 208.3.2 applies

B. Any swimmer qualifying for an A final, scored or not scored, or B scored final race in an individual event who fails to compete in said A or B final race shall be barred from further competition for the remainder of the meet, except as noted in 208.3.4. For events occurring on the last day of a meet, a fine of \$100 per missed swim shall also be assessed to the club by the appropriate Coordinator (Senior/Age Group) for failure to compete. A declared false start or deliberate delay of meet is not permitted and will be regarded as a failure to compete.

C. In the event of withdrawal or barring of a swimmer from competition, when possible, the Referee shall fill the A, B, or C final with the next qualified swimmer(s). First and second alternates shall be announced along with the final qualifiers. These and all other alternates and those qualifying for non-scoring B or C finals shall not be penalized if unavailable to compete North Carolina Swimming September 22, 2019 Rules Page 15 of 30

D. When the B or C final has not yet been swum and a barring or withdrawal is known in advance by the Referee, the Referee should re-seed the A, B, or C finals, if necessary, to insert the alternate(s) in the appropriate lane(s), filling all lanes in the final. In order to prevent undue delay of the A, B, or C finals, the Referee may elect to fill the empty lane(s), without re-seeding, with the next qualified alternate, or if unavailable, the next qualified swimmer(s) who is/are present in the starting area and ready to swim

E. If a C or B final has already been swum, the A final of that event shall be swum without filling the empty lane(s)

.4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:

A. The Referee is notified in the event of illness or injury and accepts the proof thereof.

B. The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or reswim.

C. The swimmer was not named in any finals heat during the initial announcement of results

D. It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.
